

Clockwork Saint 60

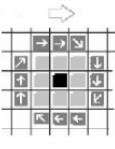

After all your orders, automatically execute a melee attack with -50% damage modifier in the direction of your last order. Take 25% less melee damage.

 "Nothing stands against the will of the people. Not the Empire, and certainly not any single person."

The Clockhand

Base Damage: 12
Glancing Modifier: 33%

Glancing: 

On Hit: Knockback 3 in the direction of arrows. Damage all characters in area.

 "The clockhands of Westminster, honed to a razor's edge." 

Fleeting Advantage

Draw 2 orders and increase hand size by 2 for one turn. Discard 2 orders at the end of your turn.

"Seize the momentum while it lasts."
