

-Gentlemen of War-

Warband Roster Sheet

Warband Name: Le Sang de Bordeaux

Warband Faction: Étudiants de la Liberté

Warband Funds: 600 Warband Prestige: 6

Notes:

A student uprising, led by the aristocratic and firebrand student François du Bois, aims to disrupt the British occupation as much as possible. They engage in larceny, acquiring much weaponry to arm themselves, including an entire Juggernaut steamframe.

The members of the Rider's Society, applying their romantic fancifulness, equip themselves as "Pale Riders", riding through the woods to reap down unaware enemies with farm scythes.
